

# Mid IB Courses Exam 2020

## Overview

Review and consolidate Year 1 and kick start the final year! This course is designed for students that have completed their first year of IB. There will be 20 hours of tuition per subject. Small and interactive classes will make learning fun and effective. Extra workshops and one-on-one tutoring available.

## Goals

1. Get on top of your IB subjects and improve your grades.
2. Build your confidence and skills for the last 10 months remaining of high-school.
3. Have an inspirational learning experience.

## Specifications

The course structure can be customized to your needs. The Mid IB Course allows you to engage in up to 2 subjects of your choice. Classes are taught in English in small sizes. You can add workshops that will help you to ace your subject(s) in addition to the core skills.

## Workshop Locations

We offer our IB Fit trainings in Orlando (USA), Berlin (Germany) and Barcelona (Spain). Enjoy the opportunity to explore American or European culture while you improve your study skills.

All courses include

- Teaching from experienced, trained, specialist IB teachers or IB graduates
- Small teaching groups (max 12 in subject specific classes)
- Written reports for student and parents
- Binder with helpful material for review
- On site experienced IB coordinator
- Opportunity for cultural excursions, sports and social activities.
